

## Success at ITCA Cologne 2010

ITCA Cologne 2010 proved to be yet another successful exhibition for us.

The sun was shining, the staff were smiling and the customers were certainly well wined and dined.

We had lots of treats on offer including:  
A delicious selection of all our fresh breads,  
Tempting trays of pastries,  
And tasty hot snacks such as Tortelli pastas  
and woodfired pizzas to tempt even the most  
stubborn palates.

Not to forget the glasses of fine wine,  
Champagne, G&T's and even Bellini that was  
flowing.

Nor the lucky winner of our business  
card draw who took a Jeroboam of  
Champagne home as their prize.
