

28th January 2010

Oh What a Night...

Bad luck to anyone who missed Lorna and Amanda's leaving party at the Lime Bar in Windsor on 22 January 2010. The bubbly was flowing, the food was scrumptious and the entertainment and music guaranteed everyone had a great time. Even Marilyn turned up to sing a few sexy numbers and send the girls on their way.

For those of you who are out of the loop, Lorna has gone out to head up the

En Route office in Atlanta, USA and Amanda is changing direction to become a personal trainer.

We wish them both much success...
